CAMELOT

REALTY GROUP

WHO WE ARE

Camelot Realty Group is an independently owned real estate platform and has been an owner, operator, and manager since 2006.

We serve residential and mixed-use properties with a hands-on, value-add approach built on financial discipline, operational excellence, and long-term stewardship.

Our mission is to **protect and enhance** real estate value through **disciplined operations, financial transparency, expense control,** and a **long-term legacy mindset.**

AREAS OF FOCUS

1. Expense Control & Budget Oversight

Rigorous budgeting, expense monitoring, and vendor management to maximize property value.

2. Compliance & Risk Management

Proactive compliance oversight and risk mitigation to protect assets and stakeholders.

3. Resident & Board Communication

Clear, consistent communication that builds trust and fosters strong relationships.

4. Capital Planning & Project Oversight

Strategic planning and project execution that enhance assets and deliver long-term value.

5. Revenue Growth & Leasing Strategy

Data-driven leasing strategies and market insights to drive occupancy and NOI.

6. Energy Efficiency & Cost Reduction

Smarter systems and sustainable solutions that reduce costs and improve performance.
