

RPIE / TAX ABATEMENT FILING TRACKER

What this form is: a tracking sheet for annual and periodic municipal filings.

What it's for: it covers Real Property Income & Expense (RPIE) filings, RPIE-Exempt filings, and Cooperative/Condominium Property Tax Abatement applications.

Why it's needed: these filings carry statutory deadlines and penalties for late or missed submissions; this tracker keeps a clear record of what was filed, when, and by whom.
